

June 1, 2005

Clarinda, Iowa will be the site of Fly Iowa 2005 on September 10-11, 2005. We would like to invite you to participate as an exhibitor in this aviation event, which is expected to attract 10,000 – 15,000 people. The event is held in different areas of the state each year. This is the first time it has been held in Southwest Iowa.

Fly Iowa is an annual statewide fly-in and aviation fair created by the Iowa Aviation Promotion Group. The event is designed to promote aviation and its associated benefits across the state of Iowa, and to use aviation as a motivating force to encourage science, math and technology education among Iowa's youth.

The main event of Fly Iowa is the air show with military and civilian performers held on Saturday and Sunday afternoon. Several other activities are planned for the two-day event, including military and civilian aircraft displays, free flights for the children, a fly-in breakfast each day, a hangar dance Saturday night, and displays and static displays from non-profit organizations, educational groups and commercial vendors.

We would be honored to have you exhibit at our event. The fee is based on your business category: education, non-profit or commercial. Discounted rates if registered early. [Booth size and cost attached] If you have any questions, please contact Pat Davison, Education chairperson of Fly Iowa 2005, at 712-542-2166 or email to patd@clarinda.org Payment is required at the time of reservation. Make checks to Fly Iowa 2005 in care of Pat Davison, 115 East Main Street, Clarinda, IA 51632. There is a registration form to mail or FAX on page 3 of this document.

To learn more about Fly Iowa log on to their website at www.flyiowa.org

I look forward to hearing from you soon!

Sincerely,

Pat Davison, Educational Chairperson
Fly Iowa 2005
